General Information

Each day is at a different venue. Find your day below, then turn to that day's page for directions and the full programme.

Five things to know

1

Check your days

Your Luma email says which days and sessions you're booked on.

2

Check in

Show your Luma QR code, or just give your name. Not registered means no entry.

3

Arrive by 09:00

Registration opens at 09:00. Talks start at 09:15.

4

Go to the right venue

It changes every day. Check the table below.

5

Leave the car

Every venue is well connected. Please use public transport where you can.

FAQS

Good questions

What does my ticket cover?

A week pass covers the main programme Monday to Thursday. A day pass covers your day. Both include lunch and refreshments. A single session covers that session. More on page 03.

How do I check in?

Show your Luma QR code at registration. Can't open it? Just give your name and we'll check the guest list. If you haven't registered, you won't be let in.

What time should I arrive?

Registration opens at 09:00 and talks start at 09:15. Aim to arrive 15 minutes before your first session.

Where do I park?

Every venue is well connected, so please use public transport where you can. If you drive: free parking at Jet Age, limited paid parking at Park Campus, and car parks near Hub8 MX and Patch. See page 06.

Will there be food?

Free soft drinks at every event. The main venues serve refreshments on arrival and lunch partway through.

Is there a dress code?

No. Wear what's comfortable. Most people go business casual.

Are the venues accessible?

We want everyone to be able to take part. If you have any access needs and haven't been in touch yet, email info@cynam.org before the day so we can help. Each day's page has venue access details.

Will I be photographed?

Only if you're happy to be. If you'd rather not, we'll give you a coloured lanyard so our photographers know.

Can I go to an own-ticket event?

Yes, if you book it with its organiser. Some are sold out or invitation only. Find them in the [live programme ↗](#)

What's happening on Friday?

EmPower, a hands-on tech and cyber day for young people in Gloucester. There's also a fringe event at HCR Law in Cheltenham, which needs its own ticket.

I can't make it any more

Email info@cynam.org so someone on a waiting list can have your place.

Still stuck?

info@cynam.org

See you there.
